HOW TO PLAY

1

Look at the thirteen letters.

They sit together in the yellow band at the top of the sheet.

2

Make twenty words from them.

A letter may be used again in a different word.

3

Write one word on each line.

Three letters is enough for a word to count.

4

Read them back aloud.

Then try the next sheet - the letters change every time.

A note for grown-ups

Say each new word out loud as it is found. Hearing it is half the lesson.
