HOW TO PLAY

1

Look at the wheel.

Seven letters sit around the rim.

2

Build words from them.

Any order, three letters or more.

3

Write them under My words.

One word to a line.

4

From wheel four onwards, write sentences.

Take your own words and put them into sentences of your own.

A note for grown-ups

Say each new word out loud as it is found. Hearing it is half the lesson.
