HOW TO PLAY

1

Look at the letter on top.

Every word in the pyramid begins with it.

2

Fill the first row.

Two boxes, so a two-letter word. B gives you BE.

3

Keep going down.

Each row is one box longer than the last, all the way to eight.

4

Check the answers at the back.

Alvin's own words are there - yours may be different and still right.

A note for grown-ups

Say each new word out loud as it is found. Hearing it is half the lesson.
