THE STORYTELLER

HOW TO PLAY

1

Look at the letter in the car.

Every word on the sheet starts with it.

2

Each carriage asks for one word.

The number above it says how many letters that word must have.

3

Three, four, six, nine, seven, four, three.

The nine-letter carriage is the hard one. Leave it for last.

4

Reach the castle.

Fill all seven and the ride is finished. Twelve letters in the pack.

A note for grown-ups

Nine-letter words are genuinely hard at this age. Allow a dictionary for carriage four - looking it up is still learning it.

WORD TRAIN

Every word starts with the letter in the car. The number above each carriage is how many letters the word needs.
